Positive Behaviour System

Safe, supportive environment for students to learn and teachers to teach.

Focus on developing leadership in every student. MCSS uses "The Leader in Me" programme based on the "The 7 Habits" of Stephen R. Covey.

Academic Excellence

Australian Curriculum with learning experiences based on world leading research of Dr Robert Marzano.

Our experienced and professional staff continue professional learning. All have personal developing performance plans to keep growing.

STEM, Music and Sport

Students have opportunities to participate in specialist STEM (Science, Technology, Engineering and Maths), Music and Sports programmes. Award winning school in Regional, State and National Science competitions.
